

The Local Government Handbook: South Africa is a comprehensive guide to all 257 municipalities in South Africa. An updated edition is published in March each year.

The National Government Handbook: South Africa is a comprehensive guide to more than 350 national government departments and entities in South Africa. An updated edition is published in July each year.

The Provincial Government Handbook: South Africa is a comprehensive guide to more than 200 provincial government departments and entities in South Africa. An updated edition is published in October each year.

Electronic flipbooks of the latest issues can be found at www.issuu.com/yesmedia.

The Handbooks are available as either print publications or PDF documents:

- Print versions are high quality, full colour, litho-printed A4 books with durable laminated soft covers.
- PDF versions are fully indexed with clickable links between indexes and relevant contents, as well as being fully searchable. PDFs may not be republished or disseminated in any way outside of the purchasing organisation.

Please complete to order:
